All Levels 5 days - May 11 - 15, 2009

Call the Sedona Arts Center to register

(928) 282-3809 or toll free (888) 954-4442

Using the life model students will discover how to integrate convincing structure with looser, more atmospheric qualities to create portraits that evoke both feeling and strength. Students can use oils, acrylics or pastels and will learn to mix flesh tones with a limited palette and achieve accurate proportions through study of facial structure and surface anatomy. Gretchen's dedication to her teaching and the individual attention she provides creates a nurturing, supportive environment for her students. Daily demonstrations will be executed in various mediums.

Painting the Portrait - Gretchen Lopez

5 days - Nov 3 - 7, 2008

5 days May 11 - 15, 2009

\$550.00
